Issue 7 – November 2017

November Newsletter: Firstly for those of you expecting our newsletter in October, we had a few issues to contend with, one of which was the decision to stop the planned halloween party night at Stockport County & we even had Tom from the Blossoms plugging it for us.

Yes our last fundraiser planned for Saturday 28th October was cancelled partly because it was the right thing to do following the untimely death of a Stroke survivor we were just about to start helping as he was due to come to a drop in the day after he passed away. RIP pal, please remember that if you are impacted by Stroke

PLEASE PLEASE PLEASE contact us and we will do what we can to help.

DROP IN's UPDATE: We currently have 2 drop in's per week and they are proving to be quite succesful and Im pleased to share with you that we had over 30 people attending in October alone. Its not a massive number bu it cements that we must be doing something right.

#WeCareBecauseWeHaveBeenThere

Is a strapline that we like to use which really lets people know why we are so passionate about helping others impacted by Stroke. Basically We Truly Understand what you might

Why Not Book Steady Eddie for your event – please email:

Vernon Building Society Jubilee Fund Presentation. Thursday 2nd November Sue Whitney & I attended to receive our cheque for £538.16 which is absolutely great and thank you to everyone who voted and all great causes that took part. Having support in all that we do (All causes) makes a huge difference to us.

Whilst we mention the Vernon, its quite apt to share with you StrokeInformation's take on that famous Aesop Fable the Tortoise and the Bear. Yes at the recent Stockport County game against FC United of Manchester, Steady Eddie showed his agility in front of over 4000 fans at Edgeley Park. 4th November 2017 and it finished Stockport County 4 FCUM 1. There will have to be a rematch between Vernon & Steady Eddie tho as the crowds reaction left them ShellShocked !!

Its not all about us:

Yes we wanted to show our support for other disabled members of our community so we were only too thrilled to be the first ever sponsor of the disabled section at Edgeley Park the home of Stockport County FC.

Our next planned fundraiser is taking place on Saturday 25th November at Northern Lawn Tennis Club, Palatine Road, Didsbury M20 3YA. This night has been organised by E Haye & J Saxon who are friends with Graham a Stroke survivor who we have helped regain his confidence and slowly integrate back into the community despite his speech difficulty since his Stroke. So if you fancy it, please email : EHaye@AOL.com to get a ticket or 3.

BREAKING NEWS

An area which we are looking to expand on is getting those impacted by Stroke back into being wanted in the community and hopefully employment of some sort.

StrokeInformation are really pleased to announce that we have been helping two people who have been impacted by Stroke back into paid employment. If you would like our help, please email us at Jobs@StrokeInfoirmation.co.uk and if you have a CV of sorts please feel free to send us a copy and explain what it is you are looking to do and let us try and help.
